**SUPPLEMENTAL RESPONSE TO REQUIREMENT FOR INFORMATION**

Dear Sir:

Applicants filed a Response to Requirement for Information on July 29, 2005. Along with the Response, Applicants filed a Certificate of Correction to correct the claim of priority of the above-identified patent should the Office grant Applicants' petition for claiming priority.

Applicants have discovered an error in the Certificate of Correction paper that was filed on July 29, 2005. Accordingly, Applicants are filing herewith a new Certificate of Correction that corrects the noted error. In particular, the date "1988" in the prior Certificate of Correction paper was incorrect and has been replaced with the date "2000" in the attached Certificate of Correction paper.

Applicants fully explained in the Response to Requirement for Information filed July 29, 2005, that the Certificate of Correction should be issued without any expense to the Applicants. However, should the Office disagree with the Applicants regarding the fee for filing the

Certificate of Correction, the Commissioner is authorized to charge Deposit Account No. 22-0259.

If there are any questions or comments regarding this response, the Examiner is encouraged to contact the undersigned at 312-609-7848.

Respectfully submitted,
